

Chambers Health

Chambers County Public Hospital District No. 1

**CHIEF FINANCIAL OFFICER
CHAMBERS COUNTY PUBLIC HOSPITAL DISTRICT #1
d/b/a Chambers Health
Anahuac, Texas**

Chambers County Public Hospital District No. 1 (CCPHD #1) d/b/a Chambers Health in Anahuac, Texas is seeking a Chief Financial Officer (CFO) to serve their organization. Chambers Health is a rural community integrated healthcare organization consisting of a Critical Access Hospital (CAH), Wellness Center, and three (3) Federally Qualified Health Centers (FQHC)—providing a comprehensive and extensive selection of inpatient, outpatient and ancillary programs and services typically found at larger institutions. The facility has been in continuous operation for 73 years. They were recognized by the Texas Rural Association with a “Community that Cares” award and again by the Texas Medical Foundation with the “Award of Excellence in Healthcare Quality Improvement.”

The successful candidate should have proven accounting, analysis, financial, reporting including cost reporting and reimbursement expertise, as well as familiarity with federal grant reporting requirements; should be able to exhibit excellent management skills; take the initiative to complete critical tasks and functions; be able to work collaboratively with others; be willing to teach, mentor and grow others. The candidate’s financial ability should include directing and/or preparing and providing current financial reports and summaries, creating/providing funding forecasts necessary to support planned future growth, completing and submitting all required governmental reporting, and analyzing and advising appropriate costs assignment to maximize organization return on activities, investments and efforts. Superb communication, strategic thinking and problem-solving skills with a positive and enthusiastic approach to the job are an absolute must.

The candidate should possess a minimum of a Bachelor’s degree in business, accounting or finance as well as have three to five (3-5) years of successful accounting/financial management experience in a hospital setting. A Master’s degree is a plus. Experience with a CAH, hospital district, and/or FQHC is preferred. Working knowledge of the eCW and CPSI systems desired.

Located on the beautiful Trinity/Galveston Bay complex, Anahuac, in Chambers County, Texas is an outdoorsman’s paradise, with quick and easy access to the urban amenities available in the 3rd largest city in the United States. The area has a growing population of more than 48,667 with a growth rate of 3.42% in the past year.

Salary is commensurate with experience.

Candidates meeting the above requirements may submit a resume to:
