

## **JOB OPENING CHIEF EXECUTIVE OFFICER (CEO) Rice Medical Center Eagle Lake, Texas**

**Rice Medical Center (RMC) in Eagle Lake, Texas is currently seeking a Chief Executive Officer (CEO)** to serve their facility. RMC is a community hospital delivering acute care, specialty clinic services and a behavioral health outreach program - CALM. RMC has served the community since being founded in 1942 providing for the needs of residents of the greater Colorado County area and parts of Austin and Wharton Counties with their talented doctors, medical staff, and employees.

**RMC is in search of an assertive, strategic thinker who should exhibit high moral integrity,** strong financial management, innovative leadership skills, and superior communication. Primary responsibilities of the CEO will be to provide direction and administration of all aspects of hospital activities to assure quality patient care and regulatory compliance. The CEO is an employee of Critical Access Healthcare (CAH), who manages the hospital and healthcare operations. The CEO has reporting responsibilities to CAH and Hospital Board, with communication to and coordination with Rice Hospital District Board as well.

**The successful candidate should possess a bachelor's degree (master's degree in a healthcare related field preferred),** and a minimum of ten (10) years as a senior level hospital executive with five (5) of those years as a CEO or COO of an acute care hospital. Rural hospital and hospital district experience are a plus. This candidate must exhibit the ability to interact with physicians, hospital staff, and the community as well as have a strong understanding of strategic management, team building, quality improvement, problem solving, and decision making.

**Rice Medical Center (RMC) is a full-service Critical Access Hospital (CAH) which provides** medical, surgical, a swing bed unit program, 24-hour emergency service coverage and offers several specialty clinic services including a long-standing comprehensive telemedicine program, the latest state of the art radiographic technology and surgical equipment.

**Eagle Lake is a community located in southeastern Colorado county. It is approximately 45 minutes west of Sugar Land, and about 40 minutes from Rosenberg, Richmond, and Katy.** Historically, Eagle Lake has been an agricultural community, with rice being the main crop. Other key products include cotton, grain, and cattle, along with sand and gravel from mines in the surrounding areas, as well as ranching. Eagle Lake attracts a large variety of migratory birds. The city is known as the "Goose-hunting Capital of the World" and borders a Wildlife Preserve.

Salary is commensurate with experience.

Candidates meeting the above requirements may submit a resume to:
